Dear Paul,

It may be a blessing in disguise that the persons from Auroville connected with Dinakaran may be able to help him become friend of Auroville.

On the other hand it is good to know the facts.

Warmly

Pashi

Here is Muthu from Edayanchavadi, directly related with Ayapan working for Satprem and Kumar working for Aureka, he is also related with Arun from Arc-en-Ciel, with the team of Botanical Garden working for TTV Dinakaran in his luxury illegal farm house next to Aurogreen in the Green Belt....

Vishawanathan is a the local leader of the Dinakaran faction who was involved in road blocking in Auroville because he was a sand dealer he is the brother of Arun a few year ago.. Arun is the brother-in-law of Parthasarathy, member of the Working Committee....

They are all the team people of Dinakaran...

The pity is to see people like Paul Blanche Fleur and his team associated with this gang which is against Auroville and the executive bodies of Auroville doing nothing about it...
